 - Susan proposed that ATC send the letter as a committee to the Select Board and CC all the other boards in town
 - Shows that ATC is taking a position
 - Steve suggested attachments as follows
 - Eliza suggested adding a photograph of the heat map
 - Susan suggested reciting preamble to Article 16
 - Unanimously accepted vote in favor of sending a letter
 - Susan also proposed that we cc other town committees and departments to ensure all are informed about tree priorities. CC: Town manager, Environmental Planner, Con Comm, Parks and Recreation, Open Space, Envision Arlington, Sustainable Arlington, ZBA, ARB, Housing Authority, School Committee, Planning Director
 - Unanimously accepted vote in favor of cc'ing the committees listed
 - Summer watering challenges debrief
 - Extreme weather protocol – How do we learn from this summer? Is there a way to prioritize Tree Watering during extreme drought and like this summer?
 - Challenges w hiring interns; job posting needs to be updated until filled. Post to Arl students and town notifications and Indeed
 - Summer plan - 5 crew members – 1 full time (40 hours) – 10 hours OT per week
 - Lost 1 staff during the summer
 - August storm damage took priority
 - Full capacity is 6 crew members

- Potential New system ideas – Tree Committee propose or send to Tim – Start a dropbox page with ideas for improving watering
 - 1 dedicated resource –
 - DPW purchased new pickup truck dedicated for watering. Seasonal job?
 - Use dedicated funding for outside contractor to handle emergencies
 - Ed suggested retired town employees – easier on liability
 - Park and Rec mowers move over to watering
 - Follow up with HR Job posting – eliminate submission deadline – also follow up – can it be a part time job or more than one part time
 - Add crew member and a deputy Tree Warden
 - Expand advertising
- Communication with new tree requesters
- Additional publicity help from town staff besides town notifications. Banners, sandwich boards, etc
- Tree health/management news
